## Conditions of Sale

Every animal is pledged to absolute sale if there are two or more bidders. If more than one person claims a bid the sales manager shall designate the purchaser unless one of the claimants advances it, in which case the bidding will be re-opened. The sales manager reserves the right to reject any bid he considers irresponsible. Animals unfit to offer will be withdrawn and the cause announced.

*By-bidding is prohibited.* Owners may not bid on their own colts, but may bid on others.

*Registrations.* All animals will be registered with The Morgan Horse Club, Inc. The seller guarantees the identity of each animal to appear on its registration certificate. Transfer of each registered animal will be furnished to the buyer.

*Warranties.* When an animal is warranted the fact and particulars thereof will be proclaimed from the auction stand. Otherwise the colts are sold with all faults and nothing warranted except right and title to property. Care will be taken to announce known defects in the colts and errors discovered in the catalog same to take precedence over the printed matter herein. The sales manager acts as agent only but will endeavor to protect the interests of both buyer and seller. The seller is the responsible party for all representations which the sales manager will endeavor to have correct but in no way guarantees.

*Health.* The weanlings in this sale will be inspected within 24 hours before the sale by Dr. S. Robert Orcutt, Rowley, Mass. and Dr. Bernard Collins, Lee, Mass. Any diagnosis of ill health or unsoundness will be announced from the auction stand, or the colt will be withdrawn from the sale.

*Terms — Cash* unless otherwise arranged with the seller before the sale. Payment is due on demand of the sales manager immediately after the animal is sold or the sale may be declared void at the option of the seller. Otherwise the purchase money must be paid the sales manager on the day of the sale and before the animal is removed.

*Delivery and Keeping.* Buyers assume all risks and expenses on animals after they are struck off. Colts must be removed within one day after the sale unless otherwise arranged with the seller. Shipping assistance will be provided.

Buyers unable to attend the sale may send us their bids or instructions to buy, with necessary funds. We will take charge of such funds and use them as if buying for ourselves.

The colts will not be sold in catalog order. Order will be posted at the sale.

DARWIN S. MORSE, *Sale Manager*
